PALM SUNDAY AND HOLY WEEK – IMPORTANT NOTICE

As we prepare for Palm Sunday and Holy Week, we expect a large number of faithful to attend the services.

Please note the following:

- Seating is available on a first-come, first-served basis. Reserving or holding large sections of pews is not permitted.
- For safety reasons, standing in the aisles or in the main foyer (Narthex) is not permitted.
- Overflow seating is available in the upper level and in the basement hall. We kindly ask everyone to maintain silence, as these areas are also designated for prayer and participation in the services.

Thank you for your cooperation, understanding, and prayerful spirit during these holy days.
